# Step 2

After Entering "Go" you will now be on your Shipping Screen, this is where your order details will be entered.

You must complete all the fields written in bold All rates and "delivery by" times are based on the time of day, weight, vehicle type and zip codes.

If Gold Rush Express Couriers has picked up or delivered to any addresses for your company in the past, they will be in your address book, which you can view and select by clicking on "lookup". All new addresses you enter will automatically be added to your address book.

Enter the total # of pieces, total weight, the ready time and vehicle type (if you need anything larger than a car).

Don't choose a service yet, you will choose that after clicking "Quote".

Fill in your billing reference or PO# that you will see on your invoice. Up to 3 people can receive an Email confirmation once the delivery is completed.

EZ Ship is for common orders that use the same P/U and delivery addresses for automatic entry the next time you place an order.

This page confirms that your order has been sent to our system and is being dispatched.

Now you will be at the page where you print out “2” shipping labels to attach to the shipment.

You can print out a copy of the delivery details for your records, and you can schedule more deliveries.

You can also print out a map to the destination from Expedia to give to our driver for an accurate location.
